I'm finding out what love is all about
And everyday I flee when school is out
I see my baby I get weak in the knees
There's nothing shakin but the leaves on the trees
My daddy told me there'd be times like these
There's nothing shakin but the leaves on the trees

I meet the gang and go to rockin Joes
The cats are stompin on there heels and toes
I find my baby inside I give her a squeeze
There's nothing shakin but the leaves on the trees
Why must you be such a darn gone tease?
There's nothing shakin but the leaves on the trees

She's got a way that makes me act like a fool.
Spends all my money then she treats me cruel.
I'm begging for her kisses on my bended knees.
Why don't ya give me some loving, baby?
Please please please.

Well I keep trying hard to make her mine,
Some days the wind will blow the sun will shine.
Until that day she puts my heart at ease.
There's nothing shaking but the leaves on the trees
My daddy told me there'd be times like these
There's nothing shaking but the leaves on the trees

There's nothing shaking but the leaves on the trees

She's got a way that makes me act like a fool.
Spends all my money then she treats me cruel.
I'm begging for her kisses on my bended knees.
Why don't ya give me some loving, baby?
Please please please.

Well I keep trying hard to make her mine,
Some days the wind will blow the sun will shine.
Until that day she puts my heart at ease.
There's nothing shaking but the leaves on the trees
My daddy told me there'd be times like these
There's nothing shaking but the leaves on the trees

There?s nothing shaking but the leaves on the trees
There?s nothing shaking but the leaves on the trees
