Written by: david malloy, don cook

Sleigh bells ringing choirs singing
Wonder what 'ole santa's bringing
It's the warm and fuzzy time of year

Snow flakes fall the temp is dropping
Families out together shopping
It's the warm and fuzzy time of year

Elves are working overtime
Making all our toys
Reindeer hooves on all the roofs
Of good little girls and boys

Big old cups of steaming cider
Fall asleep by a cozy fire
It's the warm and fuzzy time of year

Elves are working overtime
Making all our toys
Reindeer hooves on all the roofs
Of good little girls and boys

Big old cups of steaming cider
Fall asleep by a cozy fire
It's the warm and fuzzy time of year

It's the warm and fuzzy time of year

Santa's on his way.
