We were meant for each other
Darling i know this is true
I can't share with another
The love that is only for you
Love can't wait any longer
Each tender kiss seems to say
We were meant for each other
So tell me you love me today
Im yours forever more
Say you'll be mine
Untill forever more
Untill the end of time.....mmmmmmm mmmmmm
If one day follows another
As rivers flow into the sea
We were meant for each other
There's no other lover for me
We were meant for each other
There's no other love for meeeeeeeeeeee
