You don't, you won't
No way I say
You didn't, you doesn't
You isn't, you wasn't
You wouldn't, you couldn't
You oughn't, you shouldn't
Love nobody but me

You're mine, not his
You are, you is
I mean it, I seen it
I did it, I done it
I do, you know
You can't, you shan't
Love nobody but me

That's all, that's it
I ain't jealous of the fellas
That you hang around with
Don't pay no mind
And I'm telling you one more time

You don't, you won't
No way I say
You didn't, you doesn't
You isn't, you wasn't
You wouldn't, you couldn't
You oughn't, you shouldn't
Love nobody but me

That's all, that's right
I ain't waitin', ain't fakin'
No maybes no mights
My heart don't lie
And I'm telling you one more time

You don't, you won't
No way I say
You didn't, you doesn't
You isn't, you wasn't
You wouldn't, you couldn't

You oughn't, you shouldn't
Love nobody but me

You're mine, not his
You are, you is
I mean it, I seen it
I did it, I done it
I do, you know
You can't, you shan't
Love nobody but me
Love nobody but me

You don't, no way
You didn't, you doesn't
You isn't, you wasn't
You couldn't, you shouldn't
Love nobody but me

You're mine, you are
I mean it, I seen it
I did it, I done it
You knew you shouldn't
Love nobody but me
Love nobody but me
Love nobody but me
