A girl is crying out tonight
She finally realized what she did wasn't right
She's trying to think how she can survive
This is the last day of her life
She hung out with the wrong crowd
Doing things her parents never knew about
She found her friends
The old ones said she changed

Only her parents are to blame
Yeah
Oh yeah
Oh yeah
Oh yeah
Whoa yeah

Her dad says he loves her but she doesn't think it's true
He has no time for her, he's got better things to do
It's the same with mom who always calls her honey

She wants that child sold for money
Yeah
Oh yeah
Oh yeah
Oh yeah
Whoa yeah

She thought that she was so cool
Drinking and driving with her boyfriends home from
school
Now he's sorry he's caused the car to crash

From driving high and too fast
Yeah
Oh yeah
Oh yeah
Oh yeah
Whoa yeah

Oh yeah
Oh yeah
Oh yeah

Whoa yeah
This is the last day on earth
She's remembering everything even from birth
Her heart stops beating, teary eyes

They couldn't save her life
Yeah
Oh yeah
Oh yeah
Oh yeah
Whoa yeah
