Not alone on the weekends most stop here  
With goblins, witches and ghosts  
Here I go hearing those voices  
Telling me I've run out of choices  
Look at yourself in the water  
All you see is men killing and slaughter  
Another family is destroyed  
But here comes a new baby boy  
He grows up to be a proud man  
Prouder than god in his hands  
He's killed a new generation  
Can't blame him it's the fault of the nation

Ooooooooo  
Play nero play  
Ooooooooo  
Same shit different day

We're judging and thinking way too hard  
And war has become who we are  
I don't get why we all can't dance  
A good man to give peace a chance  
We spoke our minds back then  
But we'll never speak out again  
We have given up all hope  
And we've traded in happiness for dope

Ooooooooo  
Play nero play  
Ooooooooo  
Same shit different day

I'm feeling so frustrated  
Living in this messy creative  
Gets younger and younger believe  
That god must have taken his lead  
Little boy follow the rules  
And you'll grow up to be a fool  
I don't think any less of you  
Now you don't know what to do

Ooooooooo

Play nero play  
Ooooooooo  
Same shit different day

How can I finish this song?  
When everything is still going wrong
