This is insane  
All you did was say hello  
Speak my name  
Feeling your love  
Like a love I used to know  
Long ago.

How can it be  
You're a different space and time  
Come to me.  
Feel like I'm home  
In a place I used to know  
Long ago  
Deja vu -  
Could you be the dream that I once knew  
Is it you  
Deja vu -  
Could you be the dream that might come true  
Shining through

I keep remembering me  
I keep remembering you  
Deja vu  
This is devine  
I've been waiting all my life  
Filling time  
Looking for you  
Nights were more than you could know  
Long ago

Come to me now  
We don't have to dream of love  
We know how  
Somewhere before  
It's as if I've loved you so  
So long ago  
Deja vu -  
Could you be the dream that I once knew  
Is it you  
Deja vu -  
Could you be the dream that might come true?

Shining through  
I keep remembering me  
I keep remembering you  
Deja vu
