"Close To You"

Why do birds suddenly appear
Every time you are near?
Just like me, they long to be
Close to you

Why do stars fall down from the sky
Every time you walk by?
Just like me, they long to be
Close to you

On the day that you were born
The angels got together
And decided to create
A dream come true

And when all
Their work was done
Well, there was no one
Else as wonderful as you

That is why all the girls in town
Follow you all around
Just like me, they long to be
Close to you

Just like me, they long to be
Close to you

So close to you
So close to you
So close, so close
So close to you
So close to you
