Take me to heart and I'll always love you
And nobody can make me do wrong
Take me for granted, leaving love unsure
Makes will power weak and temptation strong

A woman's only human
This you should understand
She's not just a plaything
She's flesh and blood just like her man

So if you want a do-right-all-days woman
You got to be a do-right-all-nights man

They say this is a man's world
But you can't prove that by me
And as long as we're together
You got to show some respect for me

But if you want a do-right-all-days woman
You got to be a do-right-all-night man

A woman's only human
And this you should understand
She's not just a plaything
She's flesh and blood just like her man

So if you want a do-right-all-days woman
You got to be a do-right-all-nights man, oh yeah
You got to be a do-right-all-night man
