Take me to heart and I'll always love you  
And nobody can make me do wrong  
Take me for granted, leaving love unsure  
Makes will power weak and temptation strong

A woman's only human  
This you should understand  
She's not just a plaything  
She's flesh and blood just like her man

So if you want a do-right-all-days woman  
You got to be a do-right-all-nights man

They say this is a man's world  
But you can't prove that by me  
And as long as we're together  
You got to show some respect for me

But if you want a do-right-all-days woman  
You got to be a do-right-all-night man

A woman's only human  
And this you should understand  
She's not just a plaything  
She's flesh and blood just like her man

So if you want a do-right-all-days woman  
You got to be a do-right-all-nights man, oh yeah  
You got to be a do-right-all-night man
