Do you know the way to San Jose?  
I've been away so long  
I may go wrong and lose my way  
Do you know the way to San Jose?  
I'm going back to find some peace of mind in San Jose

L.A. is a great big freeway  
Put a hundred down and buy a car  
In a week, maybe two, they'll make you a star

Weeks turn into years, how quick they pass  
And all the stars that never were  
Are parking cars and pumping gas

You can really breathe in San Jose  
They've got a lot of space  
There'll be a place where I can stay  
I was born and raised in San Jose  
I'm going back to find some peace of mind in San Jose

Fame and fortune is a magnet  
It can pull you far away from home  
With a dream in your heart you're never alone

Dreams turn into dust and blow away  
And there you are without a friend  
You pack your car and ride away

I've got lots of friends in San Jose  
Do you know the way to San Jose?

L.A. is a great big freeway  
Put a hundred down and buy a car  
In a week, maybe two, they'll make you a star

Weeks turn into years, how quick they pass  
And all the stars that never were  
Are parking cars and pumping gas

I've got lots of friends in San Jose  
Do you know the way to San Jose?  
Can't wait to get back to San Jose
