The moment I wake up
Before I put on my makeup
I say a little prayer for you
Oh while combing my hair now
And wondering what dress to wear now
I say a little prayer for you

Forever forever you'll stay in my heart
And I will love you
Forever and forever we never will part
Oh how I'll love you
Together together that's how it must be
To live without you
Would only mean heartbreak for me

I run for the bus dear
While riding I think of us dear
I say a little prayer for you
At work I just take time
And all through my coffee-break time
I say a little prayer for you

Forever forever you'll stay in my heart
And I will love you
Forever and forever we never will part
Oh how I'll love you
Together together that's how it must be
To live without you
Would only be heartbreak for me

I say a little prayer for you
I say a little prayer for you

Forever forever you'll stay in my heart
And I will love you
Forever and forever we never will part
Oh how I'll love you
Together together that's how it must be
To live without you
Would only be heartbreak for me

My darling believe me

For me there is no one but you
Please love me too
I'm in love with you
Answer my prayer
Say you love me too

Why don't you answer my prayer? yeah
You know every day
I say a little prayer
I said I say I say a little prayer
Why don't you answer my prayer?
