I've been loving you  
Too long to stop now

You are tired and you wanna be free  
My love is growing stronger as you become a habit to  
me  
I've been loving you a little too long, don't wanna stop  
now

With you my life has been so wonderful  
I can't stop now

You are tired and your love is growing cold  
My love is growing stronger as our affair grows old  
Oh baby, I've been loving you a little too long to stop  
now

Oh, oh, I've been loving you a little too long  
Please don't make me stop now

No, no, oh, I love with all my heart  
Please don't make me stop now

Please, please don't make me stop now  
No, no, no, no, don't make me stop now

Said I love you, I love you with all my heart and soul  
No, please don't make me stop now

Oh, my love is very strong and  
Don't, don't make me stop now  
Don't, don't make me stop now  
Loving you
