All the world over, so easy to see
People everywhere just wanna be free
Listen, please listen, that's the way it should be
Peace in the valley, people got to be free

You should see, what a lovely, lovely world this could
be
If there everyone learn to live together
Right now, seems to me such an easy, easy thing it
should be
Why can't you and me learn to love one another?

All over the world over, so easy to see
People everywhere just wanna be free
I can't understand, it's so simple to me
People everywhere just got to be free

If there is a man who is down and needs a helping
hand
All it takes for you to understand and to pull him
through
My, my, it seems to me, we got to solve it individually
And I'll do unto you what you do to me

We got to shout it from the mountains or out to sea
There's no two ways about it, people have to be free
Ask me my opinion, my opinion will be
It's a natural situation for a man to be free

Get rid of boredom

What a lovely lil' feeling just come over me
It's enough to move a mountain, make a blind man see
Everybody's dancing come on, let's go see
Peace in the valley, now we're got to be free

Why don't you ask me my opinion?
It's a natural situation
Why don't you ask me my opinion?
It's a natural situation

Why don't you ask me my opinion?
It's a natural situation
Why don't you ask me my opinion?
