People, people who need people
Are the luckiest people in the world
We're children needing other children

And yet letting our grownup pride
Hide all the need inside
Acting more like children than children

Lovers are very special people
They're the luckiest people in the world
With one person, one very special person

A feeling deep in your soul
Says you are half, now you're whole
No more hunger and thirst

First be a person who needs people
People, people who need people
Are the luckiest people in the world
