The moment I wake up
Before I put on my makeup
I say a little prayer for you
While combing my hair, now
And wondering what dress to wear now
I say a little prayer for you

Forever, forever, you'll stay in my heart
And I will love you
Forever and ever, we never will part
Oh, how I'll love you
Together, together, that's how it must be
To live without you
Would only be a heartbreak for me

I run for the bus, dear
While riding I think of us, dear
I say a little prayer for you
At work, I just take time
And all through my coffee break-time
I say a little prayer for you

Forever, forever, you'll stay in my heart
Will love you
Forever and ever we never will part
Oh, how I'll love you
Together, together, that's how it must be
To live without you
Would only be a heartbreak for me

I say a little prayer for you
I say a little prayer for you

Forever, forever, you'll stay in my heart
And I will love you
Forever and ever we never will part
Oh, how I'll love you
Together, together, that's how it must be
To live without you
Would only be a heartbreak for me

My darling, believe me

For me there is no one
But you, please love me too
I'm in love with you
Answer my prayer, babe

I'm in love with you
Answer my prayer, babe
Say you love me too
Answer my prayer, babe
I'm in love with you
Answer my prayer, babe

I say a little prayer for you
I say a little prayer for you
I say a little prayer for you
