"Somewhere"

Visit "[Somewhere](#)" on MotoLyrics.com

There's a place for us, somewhere, a place for us
Peace and quiet and open air wait for us somewhere
There's a time for us, someday, a time for us
Time together, with time to spare

Time to learn, time to care
Someday, somewhere
We'll find a new way of living
And we'll find a way of forgiving, somewhere

There's a place for us, a time and place for us
Hold my hand and we're halfway there
Hold my hand and I'll take you there
Somehow, someday
And we'll find a way of forgiving, somewhere

There's a place for us, a time and place somewhere for
us
Wouldn't you hold my hand? And we're halfway there
Hold my hand and I'll take you there
Somehow, someday, somewhere
