And if you don't believe what I say
You won't believe, I'm not that way

And I never meant to turn the hurt around
I would be a fool to lose the love I've found
And if you take me back, I'll let you know

I'll be stronger than before
I will love you even more
Oh, I'll take you back if you come back

I'll take you anywhere you ever want to be
You're the light inside of me
Oh, I'll take you back if you come back to me

And if you heard the whole thing before
Then once again, I'll tell you more

I would be a fool to ever let you go
But I had to go away to finally know
How much I need you back, I need your love

I'll be stronger than before
I will love you even more
Oh, I'll take you back if you come back

I'll take you anywhere you ever want to be
You're the light inside of me
Oh, I'll take you back if you come back to me

I'll be stronger than before
I will love you even more
Oh, I'll take you back if you come back

I'll take you anywhere you ever want to be
You're the light inside of me
Oh, I'll take you back if you come back to me
If you come back, come back to me, come back

And I'll be stronger than before
I will love you even more
Oh, I'll take you back if you come back

I'll take you anywhere you ever want to be
You're the light inside of me
Oh, I'll take you back if you come back to me
If you come back, come back to me
