Love is lovelier
The second time around
Just as wonderful
With both feet on the ground

It's that second time you hear
Your love song sung
Makes you think perhaps that love
Like youth, is wasted on the young

Love's more comfortable
The second time you fall
Like a friendly home
The second time you call

Who can say what brought us to
This miracle we've found
There are those who'd bet
Love comes but once and yet
I'm oh so glad we met
The second time around

Who can say what brought us to
This miracle we've found
There are those who'd bet
Love comes but once and yet
I'm oh so glad we met
The second time around
