You never close your eyes any more when I kiss your
lips
And there's no tenderness like before in your fingertips
Mmm, you're trying hard not to show it, baby
But baby, baby I know it

You've lost that loving feeling
Oh, that loving feeling
You've lost that loving feeling
Now it's gone, gone, gone, whoa

Now there's no welcome look in your eyes when I reach
for you
Baby, you're starting to criticise every, every, every
little thing that I do
Oh it makes me just feel like crying, baby
Cos baby, something beautiful's dying

You've lost that loving feeling
Oh that loving feeling
You've lost that loving feeling
Now it's gone, gone, gone, whoa

Baby, baby, I'd get down on my knees for you
If you would only love me, love me like you used to do,
yeah
You know that we had a love, a love a love you don't
find every day, no, no
So don't, don't, don't, baby don't throw it away, no, no
don't throw it away

Baby, baby I beg you please, please
I need your love, I need your love
So bring all back, bring all back
Bring back that loving feeling
Oh, that loving feeling
Bring back that loving feeling
Cos it's gone, gone, gone
And I can't go on whoa
