All this time, rewind.
We dint get here blind, no.

DonÂ't turn away, donÂ't look away, donÂ't walk away
Do you want it to end like this?
DonÂ't turn away, donÂ't look away, donÂ't walk away
We canÂ't let it end like this

We came to find, a sign.
A reflection of, your.
Your life.

DonÂ't turn away, donÂ't look away, donÂ't walk away
Do you want it to end like this?
DonÂ't turn away, donÂ't look away, donÂ't walk away
We canÂ't let it end like this
DonÂ't turn away, donÂ't look away, donÂ't walk away
Do you want it to end like this?
DonÂ't turn away, donÂ't look away, donÂ't walk away
We canÂ't let it end like this
