Don't you wanna sleep my broken darlin' ?
Don't you wanna sleep, sleep, sleep at last?
You've got to swallow all your tears my broken darlin',
melancholic drinks are good for the dreams.

If a love dream comes do I have to scream?

Keep the dream but never scream.
The hunger's dangerous for your tiny heart.

The hunger's dangerous for my tiny heart.

If the love dream's becoming a very sexy dream,
Docteur Madeleine, don't you think I have to scream?

Stop the dream but never scream.
The cuckoo's clock ring will wake you up
and I'll warm you with a chocolate cup.

Don't you wanna sleep, don't you wanna sleep?
My motherfuckin' heart does clic-cloc-ding-dong!
My motherfuckin' heart does clic-cloc-ding-dong!
Don't you wanna sleep, don't you wanna sleep?
My motherfuckin' heart does clic-cloc-ding-dong!
My motherfuckin' heart does clic-cloc-ding-dong!

Love is dangerous for your tiny heart,
even in your dreams, so please dream softly.

You mean without sex?
I mean without passion.
You mean without sex.
I mean without sex!
I mean...

Don't you wanna sleep, don't you wanna sleep?
My motherfuckin' heart does clic-cloc-ding-dong!

Don't you wanna sleep, don't you wanna sleep?
Melancholic drinks are good for the dreams.
Don't you wanna sleep, don't you wanna sleep?
Keep the dream but never scream.
Don't you wanna sleep, don't you wanna sleep?
Stop the dream but never scream.

Don't you wanna sleep, don't you wanna sleep?
My motherfuckin' heart does clic-cloc-ding-dong!
My motherfuckin' heart does clic-cloc-ding-dong!
Don't you wanna sleep, don't you wanna sleep?
My motherfuckin' heart does clic-cloc-ding-dong!
My motherfuckin' heart does clic-cloc-ding-dong!

Don't you wanna sleep, don't you wanna sleep?
Don't you wanna sleep, don't you wanna sleep?
Don't you wanna sleep, don't you wanna sleep?
(My motherfuckin' heart does clic-cloc-ding-dong!)
Don't you wanna sleep, don't you wanna sleep?
Don't you wanna sleep, don't you wanna sleep?
Don't you wanna sleep, don't you wanna sleep?
Don't you wanna sleep, don't you wanna sleep?
Don't you wanna sleep, don't you wanna sleep?

The hunger's dangerous for my tiny heart.
Don't you wanna sleep, don't you wanna sleep?
Love dream comes...
You mean without sex.
May I have to scream?
(Without passion.)
May I have to scream?
I mean without passion.

Don't you wanna sleep, don't you wanna sleep?
Don't you wanna sleep, don't you wanna sleep?
Love is dangerous for your tiny heart.
Love is dangerous for your tiny heart.

Love is dangerous for your tiny heart.
