Never thought I'd be caught in the web  
Like a lamb lying down to be slaughtered  
Put down your walls for a minute  
I want to let you know what is on my mind

I am trying to find the words  
To reveal the scenery  
I was never enough for you  
And it splits my soul in two  
Every time you go

My heart is crying  
Every time you walk away I'm dying  
I know I have to be strong and fight it  
But when you look at me I fail to hide it  
I can't let you go  
I just want you to know  
I'm like a leaf that keeps on falling.

Never thought I'd be lost on my own  
Never dreamed I would suffer such pain  
Now put down your walls for a minute  
We have to work this out, doesn't matter how

I am trying to find the words  
To reveal the scenery  
I was never enough for you

And it splits my soul in two  
Every time you go

My heart is crying  
Every time you walk away I'm dying  
I know I have to be strong and fight it  
But when you look at me I fail to hide it  
I can't let you go  
I just want you to know  
I'm like a leaf that keeps on falling.

Time will go on eventually  
My heart will heal again  
But you will forever be the one

The one that haunts my heart and soul  
forever more

My heart is crying.....
