I'm self absorbed and I'm lazy
It feels good being somebody else
There's nobody left to tell me I'm crazy

See how we run
See how we run
Under the gun

I look at you and I laugh
It feels good to have you here to amuse me
I'm cold blooded but I still get a laugh

See how we run
See how we run
Under the gun

I know, I know it's okay
I know, I know it's okay
I know, I know it's okay
To sing a little song for marijuana in the sun

I'm bowling over with boredom
It feels strange when I'm telling the truth
I take drugs but sadly I can't afford them

See how we run
See how we run
Under the gun

I know, I know it's okay
I know, I know it's okay
I know, I know it's okay
To sing a little song for marijuana in the sun
