Music From The OC Mix 2 Soundtrack Lyrics

Dios Malos - You Got Me All Wrong

You got me all wrong  
You left me under water  
To tumble and fall  
So many years ago

You got me all wrong  
You got me all wrong  
You got me all wrong  
You got me all wrong

You got me all wrong  
You wandered away  
Without wish I am nothing  
Much more than I can say

You got me all wrong  
You got me all wrong  
You got me all wrong  
You got me all wrong
