Title: You've got me all wrong

Artist: Dios Malos

You've got me all wrong
You left me under water
To tumble and fall
so many years ago

You've got me all wrong
You've got me all wrong
You've got me all wrong
You've got me all wrong

You've got me all wrong
You wondered away
without which i am nothing
much more then i can say

You've got me all wrong
You've got me all wrong
You've got me all wrong
You've got me all wrong
