Aiiyo, I'm bouncin' through an ounce or two

A fountain too, no water, only pumpin' Mountain Dew  
Front on y'all little cats I was bound to do

119th to the whorehouse, soon as the tour's out  
Papi's rotten, my block top was spoppy poppin'  
I pop ack over some oxi cotton  
Cotton club and Roxy Robins  
Rubies and rocks we poppin'  
Booties, oozies and glocks'll stop 'em  
Battery on his head, copper top him  
When I'm in the building dogg, you got to watch him  
Got to spot him tray eight a floor revolver  
The D.A., seargent and coroner's problem - now  
Highs get eight done, dips that don't play none
