Get from round me
Get from round me
Get from round me
Get from round me
Get from round me

I'm the definition of half lady, half thug
Half crazy, half hazy puffin' on them drugs
Half easy half seasy sippin' on sizzurp
Half rich 'coz you know that girl a hustler
I got my money up now I can pop shit
Still hit that purple blunt fuck a style cris
Fuck around this bitch I got a wild clique
Got you poppin' on fo fos, what now bitch?

I'm one up on you hoes I don't fuck with you hoes
Phony bitches I will dump on you hoes
I be the spotlight chick I stays on the low
Keep my money on my mind and my mind on my doe
When I blow right drove tight, you know that flow like
No other, so gutter, you gotta fuckin' love her
They gotta fuckin' love her, look how them jeans hug
her
Playa haters, suck a dick all you cocksuckers

You don't puff what I puff, get from round me
You ain't crunk, you a punk, get from round me
You ain't down to dump when I dump, get from round
me
Nigga get from round me, nigga get from round me
And if you a phony ass hoe then get from round me
Broke ass trick with no doe then get from round me
In my grill trying to pimp up all the dro bitch get from
round me
Shawty get from round me, shawty get from round me

Bitches used to down me, teachers used to clown me
Now look I'm made paid screamin', get from round me
You wanna learn how to get rich stick around me
If not get from round me, you hot get from round me
You eat cheese talk to cops, get from round me
Stop man that's not what surround me, nope

Niggas get popped up around me, it's not fun around me
Shot guns around me, bang

Tell a chick if she round me, cook and profound me
If you don't swallow what comes out this dick get from round me
Pimp I stay shrimp get the shit and get from round me
B-Bitch get from round me, get from round me
The big apple's boss get your apple tossed
Come through apple Porsche color of apple sauce
God damn they hound us surround us don't clown us
We on the Greyhound bus with pass get from round us

You don't puff what I puff, get from round me
You ain't crunk, you a punk, get from round me
You ain't down to dump when I dump, get from round me
Nigga get from round me, nigga get from round me
And if you a phony ass hoe then get from round me
Broke ass trick with no doe then get from round me
In my grill trying to pimp up all the dro bitch get from round me
Shawty get from round me, shawty get from round me

Now when I roll up to the spot you know
See that escalade with the spades 24s
I'm doing big thangs now I got a lot to show
I still ain't content, homey I gotta get more I know
Bitches talk behind my back when they ain't round me
Gossip telling lies on the chick when they ain't round me
Even trying to let my man hit when they ain't round me
Act like everything is prefect when they get round me

I'm a top notch bitch you a vile piece of shit
Your neck broke to zilch I can game a couple bricks
I host my game 80% you could tell by them hits
What we rollin' everywhere the shotgun in the 6
I like to bomb me a bitch, go Sadaam on a bitch
Blow yourself to smithereens goin' strong on them hits
On a high speed paper chase, no time to hesitate
Y'all bitches ain't down, ain't holdin' no pounds, get out my fuckin' face

You don't puff what I puff, get from round me
You ain't crunk, you a punk, get from round me
You ain't down to dump when I dump, get from round me
Nigga get from round me, nigga get from round me
And if you a phony ass hoe then get from round me

Broke ass trick with no doe then get from round me
In my grill trying to pimp up all the dro bitch get from
round me
Shawty get from round me, shawty get from round me
