Don't let the nine burn 'em in the sternum
They don't wanna go to war with ya'
They ain't ready to bang or go to war with ya'
So leave 'em alone, don't feed 'em the chrome
Y'all labels'll to stop watching me
I tried to tell you before, I was ready, I was always hot

Now look, I'm Diplomat slash ROC property
Stash rocks propbably, fucka, you're not stopping me

[Chorus - 2X]

[Juelz Santana]

I'm so..gangsta, it's no one just like me
Smooth thug, will Pretty Tony your wifey
So you better keep your bitch away
Cause I will get her number, call her up, make her my
bitch today

Y'all can't fuck with the "Great" Santana, banada give
in clips and weight
Hammers will split your face, shift your waist, to a
different place
Next thing you know, I'm in a different state
Back next month, new whip, different plate
Damn, Santana delivery the raw
Delivery the four, for sure man, I did it before
So if your bitch is a whore, don't fight for her
Don't waste your life for her, trying to make it right for
her
With all that frontin' your doin, and stuntin' you're doin
I'll shoot the bump while you moving and shut you from
moving

[Chorus]

[Juelz Santana]

Y'all niggaz don't ride like I do
Slide through in that 7-4-5 blue, right beside who? Killa
Where Jones, in the pick-up truck
Yeah we use that to pick up stuff, pick up bucks
And my Denali is often parked, inside of my condo
How much did he sign fo?
Oh, I bet you wanna know that money
Yeah I bet you I wont show that money
I keep it stashed away, right next to the 4-4, money
Keep a lo-pro money, this is slo-mo money
I'm used to that fast crack, bag crack
Re-cook bag that, give it out, half that
If it still bags, have stacks
No more running back to me, coming back to me
I'm on the corner with a hundred packs of these
Damn, oh, he got the purple

[Chorus - 2X]
