Yeah, Killa  
What we gettin' ready to do is separate  
The men from the mice, pit from the poodles  
And the villains from the heroes

Dip set, bitch, you know what that means?  
You amongst the diplomat community  
This my man hell rell, he locked up  
He 'bout to come home, hit 'em Rell

By the time this shit touch the streets  
I'll prolly be shackled down on the bus wit' beats  
But I'ma ride anyway, get high anyway  
And let my vvs jewels blind your eyes anyway fucker

Y'all wanna be gangsta's listen to me  
After two years of teachin', you'll get your degree  
I took over blocks and put dope on it, coke on it  
Subbed niggas out and put them under my deodorant

Just like my speed stick nigga, I see chips quicker  
So hot, tomorrow I'm droppin' a remix nigga  
And yeah, your top on your six, go head drop that  
Just makin' it ways more easier to get popped nigga

Roll the haze, let's het higher and higher  
But G you sellin' me coke, i supplier, supplier  
They ask bout the flow, yeah, it's fire, it's fire  
Y'all snitch niggas, y'all was hired to be wired

And that's my word fam, I swore to my mother I'd get  
you  
Made a phone call, now I'm done wit' the issue  
Now all my gorillas gon' come through and get you  
And murk off in a double nickel the color of pickles

I got a serious pimp game, I rock a sick chain  
Toe the two tone rugger and roll wit' da Dip game  
Y'all the type of niggas that will run from da rubble  
Holla if y'all want birds, I can front you a couple nigga

I stack chips, this is what I do

Run through divas, give them to my crew  
Send work out of town, this is what I do  
Be wit' my niggas, this is what I do

I stack chips, this is what I do  
Run through divas, give them to my crew  
Send work out of town, this is what I do  
Be wit' my niggas, this is what I do

Shorty thought I had plans of spousin' her  
I just wanted to have sex on the couch wit' her  
Do it in the mouth wit' her  
Give her a few bricks, make her take it down south wit'  
her

I'm bout my scrilla, come fuck wit' your nigga  
And all these haters wanna buss at your nigga  
And try to do me, so I rock the Uzi under the coogi  
This shit you gon feel in your bones

They ask if I'm down wit' the Roc, 'cause I be wit' Killa  
and Jones  
I just, put rocks on da block and rock rocks on my wrist  
Get you hardest nigga, he ain't poppin' like this  
Anybody I'm tossin', nigga this is hungry season

We stopped flossin' you and your mans is gettin' it  
Where's our portion?  
Killa, only reason they killas, when they buss in their  
hoes  
They make 'em ger abortions, smoke dro, flow  
awesome  
I got two guns, you got two guns, lets have a foursome

See I start a riot in a minute, supply it if you sniff it  
I'm giving out samples, go head try it it's terrific  
The crack head love me, females wanna hug me, kiss  
me  
Buy the whole pack wit crumbled up fifties

Don't cop from that nigga Rell is what you tell the fiens  
We gettin' all the money 'cause the dimes look like  
jellybeans  
A few blocks and locking key, but I need a world  
So it's time to lay pressure game down like Preacher  
Earl

Everybody pay up or get sprayed up  
This year, I'ma get my name back and my weight up  
Go see primo, razor blaid the plate up  
Make some packs and some workers

And start rackin' cake up this is what I do

I stack chips, this is what I do  
Run through divas, give them to my crew  
Send work out of town, this is what I do  
Be wit' my niggas, this is what I do

I stack chips, this is what I do  
Run through divas, give them to my crew  
Send work out of town, this is what I do  
Be wit' my niggas, this is what I do

This is what he does
