[Hell Rell]

Yea I'm still gettin out

So what the judge boost the bail

Niggaz run around saying what they gonna do to

Rell(Nothin)

Two P-89's on me call me Ruger Rell

Y'all niggaz talk about your bodies I don't shoot and tell

And you still playing you ain't even close to culture

First you up then you down what you rollercoaster?

Tre pound rubber grip what my holster holding

And there's a baby being born a fiend overdoser

Must have been my dope that did em man

I party on the yacht with some hoes or her pigeon

friends

You tell a slut you love her and miss her hug her and

kiss her

I fuck her and diss her probably was your cousin or

sister

I got mami sucking dick, put product on the strip

Spray a nigga pay a nigga just to bottle up a brick

But I'm trying to make sure that my dust move

A young nigga what I was laid I hamma dosage

[Chorus]

[Hell Rell]

For that paper snatch you daughter up

Cruise pulling Porches up

Cam I'm hungry now go head and kick your Air Jordans

up

Put your hand on me your moms'll get it in the mail

I was buzzing more than you when I was sitting in a cell

All the streets wanted to know was where's Hell Rell

There go Jim there go Killa but where's Hell Rell

There go Freaky Santana but where's Hell Rell

I'm here now everybody thanks for all the fan mail

But fuck a bitch I don't love them either (Naw)

The powder black the coke is white so when I cook it's

like jungle fever

A couple niggaz going to be shot in their face

Robbed for every dollar that they got in their safe

See I'm something like a phe-no-me-non (Yea)

I kidnap your kids with their pajamas on (Yea)

And I still slap a nigga just for stepping on my white on

whites

I'm in the hood like peeling cheese and Mike and Ikes

[Chorus]
