An end begins a trivial matter.

It's a time to burn everything.

If I could forget you without hesitation...

Serious injury laughs at me.

The time is changing, the passage of time

burns me, you, now.

Solitude laughs as it likes.

You laugh as you look down.

The time is over, the time will stop, at the end of

the time, sleeping with a kiss to unheated death.

todokanai kimi no aijou todokanai boku no aijou

ima mo hora ne...

todokanai kimi no koe wa todokanai boku no koe mo

ima mo hora...

yume wa kare suna ni kaeri itsuka mata boku no naka
