Daddy mommy sad my favorite ice cream is strawberry
Daddy mommy mad the name of the kitten I love is
strawberry
Daddy mommy sad strawberry flows from me
Daddy mommy mad strawberry flows from daddy
Daddy mommy bad strawberry flows from mommy
Daddy mommy abuse a bruise on my body, adding
another injury
I was born nine years ago and every night, in bed
Together with the cat I go to sleep
In the morning without fail I put plenty of jam on my
favorite bread

Nothing changes, but
Raspberry jam
Deep red ice cream, I'll let it all out
I quietly peeped in daddy's drawer, there was
something inside
Carefully I got it out to see
When daddy and mommy settle settle down to sleep I'll
softly creep up
Shall I shoot straight through you?
I'm hungry I'll put jam on my favorite bread and eat it
Pistol right at the forehead
Raspberry jam
