Wake up you're dead

Doing meaningless shit over and over
I'm just a third-rated star covered in blood
See the prince on the rocking horse, his polished face
looks cool
I'm just gonna spill my guts on you

*Under the name of Justice
You can't break my soul
Under the name of Justice
Kill yourself
Think, you moran
Fall out of line you cockroach

Right, left, front, and back, it overflows with despair
and pain
They say this anger, this emotion, and this passion is
all a lie
Wither...
I'm not even trying to justify myself
[Repeat]*

** The dark dark Sunday, the blood stains
You can't save yourself
The dark dark Sunday, the blood stains
One day I will fuck your parents

This is the last time
Welcome to the garden of destruction

.....
(koe mo denai kurai ni... sonna ima ni hitori to kidzuku)

The night is cold and long
The night sky is deep and wide

The Dark Dark Sunday, the blood stains
You can't save yourself
The dark dark Sunday, the blood stains
One day I will fuck your parents
