Mushi kuu hitomi ni miserare iki tojiru
Nade oroshita kokoro ga porori
Sugasugashii taiyou ga
Ameoto zararigurari mazatte

Saketa mune odorase munashisa ni tou
Shiroi koe moreru iki in, The Sun

Midara ni aketa kizuguchi
Mu to kie naru Dogma no kaze
Tokedasu kimi no shinzou

Usugurai asa, hibiku sayonara
Saketa mune odorase munashisa ni tou
Tadaima wa hitori de itai

Ichirin no haru
Namida moroi kubi to chi o hau kimi sae

Love me
Abandon hope
