These eyes opened up
And understood everything
Our battle what do you think
About this fist that shakes in anger?

Ano kabe wo koero
The good and the bad have all been rooted into us
Hakai zetsubou shikisokuzekuu

No turning back, a boon or a bane
Every night death opens its mouth
Tangles its tongue and comes for me
No turning back

Salute the monkey
Salute the monkey
The desire to combine with God
Sex with a humanoid

Nozomarenai? Ai demo nai?
Forever abandoned
Umareru koto no jiyuu ni
Utagai ushinau mono ga nai nara

Our battle what do you think
About this fist that shakes in anger?
Ano kabe o koero

Justice for dying
Atomodori ga deki nai no wa dare da?
liwake ga shi mashi i no wa mou unzari da
Daisha ni tsumiage ta niku to
Happoufusagari de kiduki ya garu

Shikijou ha amai mitsu no kaori daro?
Garasu goshi ni kesshite me wo hanasa nai
Auschwitz wa chinmoku ni kuruu
Kisama tou ni kami wo kure te yaru

Salute the monkey
Salute the monkey
The desire to combine with God

Sex with a humanoid

Nozoma re nai? Ai de mo nai?

Umareru koto no jiyuu ni, utagai ushinau mono ga

Tomadou ma mo naku tada ukeru ireru genjitsu wa

Yume sae subete sabi saseru kara

Solution and tomorrow

That's rubbish

Devil in a midnight mass
