Les boys do cabaret  
Les boys are glad to be gay  
They're not afraid now  
Disco bar in Germany  
Les boys are glad to be  
Upon parade now  
Les boys got leather straps  
Les boys got SS caps  
But they got no gun now  
Get dressed up get a little risqu?  
Got to do a little S&M these days  
It's all in fun now  
Les boys come on again  
For the high class whores  
And the businessmen  
Who drive in their Mercedes Benz  
To a disco bar in old M?nchen  
They get the jokes that the D.J. makes  
They get nervous and they make mistakes  
They're bad for business  
Some tourist take a photograph  
Les boys don't get one laugh  
He says they're useless  
Late at night when they've gone away  
Les boys dream of jean genet  
High heel shoes and a black beret  
And the posters on the wall that say  
Les boys do cabaret  
Les boy are glad to be gay
