Newsman go hell
Mr, newsman

Newsman go hell an ugly pig
Newsman go hell newsociety
Newsman go hell a filthy pig
Newsman go hell check it up

In the back alley cradling the starving kitten the crying
boy loved,
Screamed for you.
Ladies and gentlemen victims laughing at lies, crying
at lies,
Sneering pigs, always like this, even now like this.

Check it up 1 2 3 4 5 are you ready

In my head a blue fish has just died
Good night
Without saying goodbye.
Cannot find a reason to why I am living.
Good night
Heart pinned down... that's why.

Smiles bought for money show on the fuzzy tv
Screamed from within the flock of senseless pigs
Ladies and gentlemen victims laughing at crime,
crying at crime
Sneering pigs, always, you see, even now, you see
