Te no todokanai sukitooru yami
Yubi no sukima kara nozokikonda
Kono sekai ni chigirete yuku aka
Hosoi ude ga kirei na kimi no uso

Ame ni nure, tatazunda kibou mo uso?
Kuchihate no yume de meguru harukakanata
Nijimu sora wa tadatada, kureru

Usurete yuku sonzai sae okurete yuku mama
Nuda ni naita koto ni ima mo kigatsukenai mama
Tada kowai fuurin, yami wo saki

Nama atatakai kaze to iki wo koroshi
Kuchihate no yume de meguru harukakanata
Nijimu sora wa tadatada

Kinou made no yoru wo furikaereba mou
Mou nido to, hikari wa kie, kanawanai
Mou nido to, mou dare mo, subete kiero
Sakebi ikite taenuita itami to
Yami no mukou suzu no moto
