Hozaito iro itsumademo sokode ore wa hitotsu nani ka  
o tada

Nigiritsubusu  
Is this really where I believe?

Muragaru chi wa hakugai ni toke nagaredasu sanbi no  
utage

Chikara de nejifusero  
It's a perfectly dead passion  
It's an entirely dead passion  
Parasite children of hatred

I hate you - Dead passion  
Doro ni uzumore Embryo burning  
Haretsu shiyou My pleasure

Slow Down  
Move on darkness

It's a perfectly dead passion  
It's an entirely dead passion  
Parasite children of hatred  
I hate you - Dead passion
