FATE

Matomo ja nee kara ima kara ajike
Into the night
Honey open up your mouth

FATE

Matomo ja nee kara ima kara tobeyo
Into the night
Honey spread your wings
Into the night
Kachi mo nai uso to zekkyou o kisama ra ni

Fuckin' tricky men

Mother

Togire togire no ishi ga ima (tsunagatte)
Tekii ni michita koe o hibikase ima o kizame
I may be tainted
But I can't forgive them
Ever...

I'll rip away the wings of the blind
Will no longer demand

Mother

Tada ikiteiru dake no munouna sono koe
(aruki) dasenai yume mo orokana awa to natte
Kiero

Fuckin' tricky men

Fate

I may be tainted
But I can't forgive them
Ever...
