Well it's a strange old game - you learn it slow  
One step forward and it's back to go  
You're standing on the throttle  
You're standing on the breaks  
In the groove 'til you make a mistake

Sometime you're the windshield  
Sometime you're the bug  
Sometime it all comes together baby  
Sometime you're a fool in love  
Sometime you're the louisville slugger  
Sometime you're the ball  
Sometime it all come together baby  
Sometime you're gonna lose it all, (groovin')

You gotta know happy - you gotta know glad  
Because you're gonna know lonely  
And you're gonna know bad  
When you're rippin' and a ridin'  
And you're coming on strong  
You start a slippin' and slidin'  
And it all goes wrong because

Sometime you're the windshield  
Sometime you're the bug  
Sometime it all comes together baby  
Sometime you're a fool in love  
Sometime you're the louisville slugger  
Sometime you're the ball  
Sometime it all come together baby  
Sometime you're gonna lose it all, (groovin')

One day you got the glory  
Then you got none  
One day you're a diamond  
And then you're a stone  
Everything can change  
In the blink of an eye  
So let the good time roll  
Before we say goodbye, because

Sometime you're the windshield  
Sometime you're the bug  
Sometime it all comes together baby  
Sometime you're a fool in love  
Sometime you're the louisville slugger  
Sometime you're the ball  
Sometime it all come together baby  
Sometime you're gonna lose it all, (groovin')

(do the bug)
