I have fun listening to your lies
I shout out joy and you shout for help
Fuck, I hate you

Dear God, you're a motherfucker
Death for all, death for all
I'm your worst nightmare
Fuck off, I wanna die

I don't even think
Of you as my friend
I don't even think
Of you as my friend

You deceived me and sold me out
Take off that mask of rectitude
Pretender that hurts one's eyes
Voice that jars on one's ear

Fuck 'em all without a care
Fake rock wannabes, just die

I don't even think
Of you as my friend
I don't even think
Of you as my friend

The maze, it's so cold
I'll die in a world of lies and deceits
By tomorrow I'll be in despair
It was destined

I have fun listening to your lies
I shout out joy and you shout for help
Fuck, I hate you

Dear God, you're a motherfucker
Death for all, death for all
I'm your worst nightmare
Fuck off, I wanna die

I don't even think

Of you as my friend
I don't even think
Of you as my friend

The maze, it's so cold
I'll die in a world of lies and deceits
I'll die in a world of lies and deceits
