English:

"Kill the tongue"  
"The Silence of the White"  
"It bloats as words"  
"Eagerness crawls near"

The crumbling temptation has a smiling face  
The blurred night bursts  
"Cover scars with scars"  
"Darkness, Doubt and Human Nature"  
"Crave each other like crazy"

Shooting of the people that can adapt

She picks the petals of the butterfly smilingly  
Superiority  
Scatter peacefully  
Be broken so mount  
Shut your eyes and yourself from reality  
The loser human drifts forever  
It won't be heard

Shooting of the people that can adapt

The demand the gathering for the camouflage, the  
destruction of order in the lines  
Reality, entertainment, and the nothingness opens up  
the wound  
You trace the answer with your finger
