'come Johnny singing oldies goldies
Bebopalulah baby what I say
'come Johnny singing I got a woman
And he's down in the tunnel tryin to make it pay
He got the action, he got the motion
Yeah the boy can play
Dedication, devotion
Turnin' all the night time into the day
He do the song about the sweet lovin' woman
He do the song about the six-blade-knife
He do the walk, he do the walk of life

'come Johnny singin' oldies, goldies
Bebopalulah baby what I say
'come Johnny singin I got a woman
Down in teh tunnel trying to make it pay
He got the action, he got the motion
Yeah the boy can play
Dedication, he got devotion
He turning all the night time into the day
He do the song about the sweet loving woman
He do the song about the six-balde-knife
He do the walk, he do the walk of life

'come Johnny singin oldies, goldies
Bebopalulah baby what I say
Come Johnny singing boningah boningah
Down in the tunnel tryin to make it pay
He got the action, he got the motion
Yeah the boy can play
Dedication, devotion
He turning all the night time into the day
And after all the violence and double talk
It's just a song in all the trouble and the strife
He do the walk, he do the walk of life
