Color, gift of color
Is so beautiful
Color, gift of color
Is so natural

Color, gift of color
Make the worlds so bright
Color, gift color
Gonna paint your world tonight

Thank you for the colors of the rainbow
Thank you for sharing these colors with all the fish
And all the birds and all the flowers
And all that you have given us, I want to thank you

Color, gift of color
Is so beautiful
Color, gift of color
Is so natural

Color, gift of color
Make the worlds so bright
Color, gift color
Gonna paint your world tonight

And thank you for the colors of the Heaven in the earth
And of the Heaven in the sky
And for sharing these colors in the people of the world
You give us color as a gift, God

Color, gift of color
Is so beautiful
Color, gift of color
Is so natural

Color, gift of color
Make the world so bright
Color, gift color
Gonna paint your world tonight

And thank you for the colors of the Heaven in the earth
And of the Heaven in the sky

And for sharing these colors in the people of the world
You give us color as a gift, God

Color, gift of color
Is so beautiful
Color, gift of color
Is so natural

Color, gift of color
Make the worlds so bright
Color, gift color
Gonna paint your world tonight
