I've got a secret, I can't keep
I got my eyes on somethin' sweet
It feels like my hearts
Poundin' through my chest

'Cuz you've got a smile I can't resist
I get tongue tied every time
You and I are close like this
Girl here's my wish

I wanna get to ya
I wanna be the one that moves ya
I wanna give my heart to ya
I want you so much

Girl I know just what I've been missin'
I wanna be the one you're kissin'
So open up your arms and listen
I wanna get to ya

Now I'm the kinda guy who understands
A simple little thing like holdin' hands
Or X's and O's on love note sent to you
Straight to you

I'll make you a promise that I'll keep
I'm tellin' you right here, right now
I'm gettin' down on my knees
I'll do anything

I wanna get to ya
I wanna be the one that moves ya
I wanna give my heart to ya
I want you so much

Girl, I know just what I've been missin'
I wanna be the one your kissin'
So open up your arms and listen
I wanna get to ya

Way I feel
I know this love is real

Baby I'm head over heels for you

I wanna get to ya
I wanna be the one that moves ya
I wanna give my heart to ya
I want you so much

Girl I know just what I've been missin'
I wanna be the one your kissin'
So open up your arms and listen
I wanna get to ya

I wanna get to ya
I wanna get to ya
I wanna get to ya
