My heart skips a beat when I watch her go by  
I don't know if she knows if I'm even alive  
I'd love to ask her out, but there's too many people  
around

I've got to make it to summer  
I want to drift on that ocean-blue in her eyes  
On a blanket of sand  
Holding her hand  
While the lonely people go by

I've got to make it to summer  
I want to tell her the things that I'm feeling inside  
And if I get the chance, I know I'm gonna make her  
mine  
Yeah

I'm stuck in my room while the snow starts to fall  
I'm lost in big poster there on my wall  
I'd love to see her there with the golden sun in her hair

I've got to make it to summer  
I want to drift on that ocean-blue in her eyes  
On a blanket of sand  
Holding her hand  
While the loney people go by  
I've got to make it to summer  
I want to tell her the things that I'm feeling inside  
And if I get the chance, I know I'm gonna make her  
mine  
Yeah

Ooh

I've got to make it to summer  
I want to drift on that ocean-blue in her eyes  
On a blanket of sand  
Holding her hand  
While the lonely people go by

I've got to make it to summer  
I want to tell her the things that I'm feeling inside

And if I get the chance, I know I'm gonna make her  
mine

And if I get the chance, I know I'm gonna make her  
mine  
Ooh, yeah
