All the guys have gone blind from starin'  
My baby, she ain't even carin'  
And they're crazy if they think I'm sharin'  
'Cause I know what they're after  
Any nobody else can have  
'Cause she's...

{Chorus}

My Girl  
A walking, talking angel, baby  
My Girl  
Not a minute goes by when she ain't lookin' pretty  
My Girl  
A 24/7 piece of heaven  
God never made another in this world  
Why I like my girl

Oh oh  
Why I like my girl

Her eyes are shinin' like big blue diamonds  
It's a look of love, ain't no denyin'  
When I kiss her lips I feel like flyin'  
Imagine something else  
When I got her all to myself

{Chorus}

My Girl  
A walking, talking angel, baby  
My Girl  
Not a minute goes by when she ain't lookin' pretty  
My Girl  
A 24/7 piece of heaven  
God never made another in this world  
Why I like my girl

The way she moves  
The way she grooves  
Ya know she drives me wild with her wild child smile  
Feel so alive when she's holding me tight  
Blowin' my mind  
It's such a rush

I can't get enough

{Chorus}

My Girl

A walking, talking angel, baby

My Girl

Not a minute goes by when she ain't lookin' pretty

My Girl

A 24/7 piece of heaven

God never made another in this world

Why I like my girl

Oh oh

Why I like my girl

Ooh Yeah

My Girl

A walking, . talking angel baby

(Repeat chours til fade.)
