(yeahhhh!)

All the guys are going blind from starin, my baby she ain't even carin. And there crazy if they think i'm sharin, 'cause I know what there after and nobody else can have her.

'cause shes my gurl, a walkin talkin angel baby. My gurl, not a minuite goes by when she ain't lookin pretty. My gurl, a 24-7 piece of heaven, god never made another in this world, quite like my gurl, oh ohhh, quite like my gurl.

Eyes are shinin like big blue diamonds. Its a coo coo love ain't no dening, when I kiss her lips, I feel like flyin. Imagine something else when I've got her all to myself.

'cause shes my gurl, a walkin talkin angel baby. My gurl, not a minuite goes by when she ain't lookin pretty. My gurl, a 24-7 piece of heaven, god never made another in this world, quite like my gurl.

Way she moves the way she groves ya know how she drives me wild with her wild child smile. Praise her love when she's holdin me tight, blowin my mind its such a ride, I can't get get enough!

My gurl, a walkin talkin angel baby. My gurl, not a minuite goes by when she ain't lookin pretty. My gurl, a 24-7 piece of heaven, god never made another in this world, quite like my gurl, oh ohhh, quite like my gurl oh yeah (shes lookin pretty) My gurl a walkin talkin angel baby, My gurl (my gurl, shes lookin pretty) My gurl a walkin talkin angel baby, my Girl.....(fade out)
